

Pliers

At Blue-Point, we created a broad range of high-performing pliers for most applications you can think of while keeping it at a very affordable price.

Like our screwdrivers, we also employ a dual-compound handle design for gripping comfort and reduced fatigue. The joints are precision-machined and located for high leverage where applicable, thus requiring less effort from the user for every crimping and cutting task.

Pliers

Blue-Point pliers is where good quality comes, at a good price. They are heat treated to the right strength and hardness for an extended serviceable life. And our broad range completes your search for the right tool to the job.
